MARVEL UNIVERSE MARK'S REMARKS

We've got five books on the docket to spotlight this week so I've got to keep my ramblings brief. This summer is going to prove to be a very exciting time for Marvel in general and my mainstream super hero line in specific. July is the month where Marvel makes the big switcheroo to its new exclusive direct sales distributor, Heroes World. Having an exclusive distributor will enable Marvel to service its many fine retailers better, and that will benefit you, the customer, in terms of better advance information about what we're doing and greater availability of our books, among various other things.

July is also when we begin our revitalization of the AVENGERS: FORCE WORKS family of titles, starting with a special edition called AVENGERS: THE CROSSING, on sale the last week in July. We had a conference last February where eleven of the most creative minds in comics brainstormed about how to make the Avengers family more of a must-read experience for every comics fan, and we think we've come up with something good. You'll be able to see for yourself shortly.

Got to run. See you next week.

— Mark Gruenwald

It's jungle action as the FF travel to an exotic land in search of a race of ancient warriors who all look like the Thing! According to writer Roy Thomas, this issue features "a fantastic Thing/Hulk fight — the biggest one since the early days!" The artists for this slugfest are M.C. Wyman and Mika DeCaroli. And the showdown with the hordes of Hela and Kurse!

SILVER SURFER #107:

Two cosmic conflicts for the price of one! First, the powerless Silver Surfer must battle a renegade Doom-bot who has stolen his power cosmic! The art team for this July release is Tom Grindberg and Bill Anderson!

THUNDERSTRIKE #23:

It's the penultimate issue for the Everyman Avenger! Writer Tom DeFalco summed it up: "Possessed by the Bloodaxe, Eric Masterson has his final conflict with Set — but he's got to fight his way through the Avengers to get there!" Tom warned, "People with heart conditions and pregnant women should stay away from this issue!" Penciler Ron Frenz raved, "Tom's scripting is the most powerful he's ever done!" And AJ Milgrom's inking ain't too shabby, either!

Highlights of this issue include: The introduction of a dramatic new armor for Tony! Reflections on some of Iron Man's greatest battles! The resolution of the leadership of Force Works! A meeting of Iron Man and the Avengers! New writer Terry Kavanagh joins artist Tom Morgan as they take Shell-Head headlong into a bold new era!
